EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Carl Brundidge on 06/07/2006.

The application has been amended as follows:

In claim 6 (now 5) replace "(MP" with --UDP--

2. The following is an examiner's statement of reasons for allowance: Each of the claims 2-9 and 11 (now 1-9) includes further details about how to set the inactivity timer. The correspondence from Koo to Alphonse dated 3/6/01 contains a brief overview of the inactivity timer and its intended benefits, but does not detail the steps to implement the timer. Additionally, the end of the letter specifically states that the inactivity timer is set per "realm" and not per user.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Kerri M. Dyke whose telephone number is (571) 272-0542. The examiner can normally be reached on Monday through Thursday, 7:00 am - 4:30 pm.
